THE IMPACT IS YOURS TO MAKE

LETTER FROM THE DIRECTOR

Dear Friends and Supporters –

I am honored to invite you to join us as an **Annual Corporate Sponsor** of CASA of the Eastern Panhandle (CASA-EP) as we continue our vital work advocating for children who have experienced abuse or neglect.

At the heart of our mission is **a dedicated network of trained volunteers and professional staff who serve as a consistent, trusted presence in the lives of vulnerable children.** These advocates ensure that each child's voice is heard in court and that their needs are recognized across schools, healthcare systems, and community services. Their impact is profound—helping reduce time spent in foster care, strengthening access to critical resources, improving educational outcomes, and most importantly, providing hope and stability during times of uncertainty.

In the past year alone, CASA-EP's volunteers and staff **served 475 children across Berkeley, Jefferson, and Morgan Counties.** Yet this represents only a portion of the children who need us. Many more are still waiting for someone to stand beside them. At the same time, CASA-EP has expanded its programming to meet the growing and evolving needs of youth and families, including mentoring and workforce readiness through our Fostering Futures Forward initiative, education advocacy and early intervention support, and family stabilization services that help address the root causes of instability.

Our vision is both clear and urgent: to ensure that every child in our community who has experienced abuse or neglect has the opportunity to grow up in a safe, loving, and permanent home.

Your partnership as an Annual Corporate Sponsor makes this possible. Your support sustains our advocacy programs, strengthens families, and empowers young people with the tools they need to build successful futures. Annual sponsorship also includes recognition throughout the year and reserved tickets and table sponsorship at our notable Garden Gala on Saturday, August 29, 2026, at Wild Goose Farm—a meaningful evening where our community comes together in support of children who need us most.

For a child who has experienced abuse or neglect, the presence of a caring CASA advocate can be life-changing. With your support, we can ensure that more children have someone in their corner—someone who believes in their future and helps them achieve it.

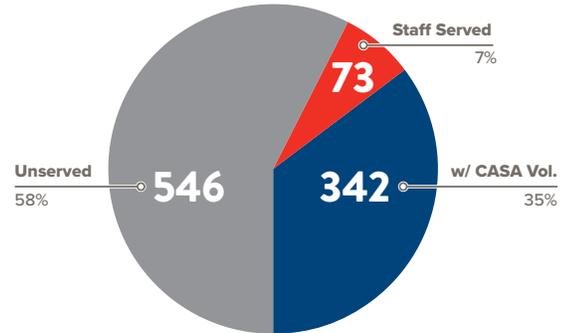

Thank you for your continued leadership, generosity, and commitment to the children and families of the Eastern Panhandle.

With gratitude,

Michelle Sudduth
